Inspiration meets design in this gorgeous, remodeled two-bedroom, one-bath condo. From the moment you arrive, the smart front door makes an impression, with privacy glass that shifts from frosted to clear at the touch of a button and keyless fingerprint entry for effortless coming and going.

Inside, wide-plank LVP flooring flows throughout, tying together a soft, neutral paint palette, smooth ceilings, and recessed lighting with dimmer switches. The kitchen is fresh and thoughtfully updated with quartz countertops, refinished cabinetry and hardware, a deep single-basin sink with tall pull-down faucet, stainless steel appliances, and a daily dining bar that opens to the adjacent dining area.

The beautifully updated bathroom features a floating vanity with a quartz countertop, designer mirror and lighting, a tiled shower surround with a soap niche, a sleek semi-frameless shower door, and upgraded fixtures. Just off the bathroom, a matching vanity area for the spacious primary bedroom adds the convenience of a dedicated dressing space, and this area also includes a large linen cabinet for extra storage. The primary bedroom also offers a large walk-in closet with a custom closet system, while the secondary bedroom is generously sized and ideal for guests.
